PROJECTS

CodeFroggy   04/2024

ckuern.wordpress.com/portfolio/codefroggy

- Developed a mobile-responsive code tutorial website using **HTML, CSS, Bootstrap,** and **JavaScript** to provide an accessible and engaging learning experience on any device.

Promptly   12/2023

ckuern.wordpress.com/portfolio/promptly-figma-prototype-and-case-study

- Created wireframes, a low-fidelity prototype, and ultimately a high-fidelity prototype of an imaginary app called Promptly for generating and saving art prompts.
- Prioritized user-oriented design involving user research, personas, journey maps, and usability studies.

PROFESSIONAL EXPERIENCE

Cashier

Lowes Foods, Wake Forest, NC   2022-2023

- Provided excellent customer service, processing transactions accurately and efficiently.
- Resolved customer inquiries and complaints, demonstrating strong communication and problem-solving skills in a fast-paced environment.

VOLUNTEER

Barn Chores Team Member   2021

Hope Reins, Raleigh, NC

- Helped with physical labor around the ranch and maintained the gardens.
- Assisted children needing guidance and emotional support while at equine therapy.

Archaeology Lab Volunteer   2018

North Carolina State University, Raleigh, NC

- Completed data entry tasks for the school's archaeology collection using Microsoft Access.
- Handled artifacts with caution while recording details, like measurements found using a caliper.
- Helped cataloguing finish early.
